

Safety in Public Parks

Safe Enjoyment... Responsible Behavior

"Public parks were created for recreation, and following safety guidelines keeps everyone safe"

Why Do We Care About Safety in Public Parks?

Welcomes individuals of all ages

Protecting Children

and the Family from Injuries

Reducing Falls

and Slipping

Fire Prevention

in Facilities

Protecting Facilities

and Maintaining Cleanliness

Civilized Behavior

and Responsible Conduct

Remember: Enjoying the place starts with respecting safety instructions

Key Risks in Public Parks

Crowding, improper use, and ignoring instructions

**Children falling
from play
equipment**

**Running and
pushing**

**Equipment for
unsuitable age
groups**

**Children without
supervision**

Wet floors

**Grilling in
unauthorized
areas**

**Littering and
broken glass**

**Approaching
maintenance
areas**

Message: Most park hazards can be avoided with supervision, attention, and compliance

Supervising Children in Parks

Continuous monitoring in crowded areas

**Supervise
them
continuously**

**Don't leave
them alone**

**Age-
appropriate
play**

**Teach them to
stay close to
you**

**Clear meeting
point**

**Keep them
away from
maintenance
areas**

**No phone
distraction**

Remember: Being near the child is not enough; what matters is continuous attention

Safety in Play Areas

Correct use reduces injuries

**Equipment
appropriate for
age and height**

**Wait your turn
calmly**

**Don't push
others**

**Use it as
intended**

**Don't stand in
front of swings**

**No playing on
wet surfaces**

**Report broken
equipment**

Message: Safe play makes recreation time more enjoyable for everyone

Safety While Walking and Moving

Pathways for safe, organized movement

**Walk in
designated
pathways**

**Don't run in
crowded areas**

**Watch out for
bicycles**

**No bags in
pathways**

**Use lighting in
the evening**

**Watch out for
uneven floors**

**Report any
obstacle**

Remember: A safe, obstacle-free path protects everyone from tripping

Fire Prevention in Parks

Grilling in unauthorized areas is a cause

**Grill in
designated
areas**

**No fire near
trees**

**Don't leave it
unattended**

**Extinguish
charcoal
completely**

**No cigarette
butts on the
ground**

**Keep children
away**

**Report smoke
or fire**

Important Message: A small heat source can cause a fire if not handled carefully

Electrical Safety and Lighting

Outdoor lighting and fountains should not be tampered with

Don't touch electrical boxes

Stay away from damaged wiring

Keep children away

No personal connections

Stay away from devices near water

Report a burning smell

Remember: Electricity in public places should only be handled by specialists

Maintaining Cleanliness and Facility Safety

Cleanliness is part of safety

**Waste
containers**

**No glass or
sharp objects
on the ground**

**No leftovers in
play areas**

**Restroom
cleanliness**

**Don't damage
safety
equipment**

**No items in
pathways**

**Report any
damage**

Message: Maintaining the park is a shared responsibility among all visitors

Protection from Heat and Heat Stress

Children and the elderly are most affected

**Drink water
regularly**

**Avoid the sun
during peak
hours**

**Use an
umbrella or hat**

**Rest in shaded
areas**

**Watch for signs
of fatigue**

**Don't leave
children in the
vehicle**

**Seek help
when
symptoms
appear**

Remember: Outdoor enjoyment requires hydration, rest, and attention

What to Do When a Child is Lost or Separated

Act calmly and quickly

Agree on a meeting point upon entry

5

Keep a contact number with the child

6

Notify authorities if the separation continues

7

Stay calm

1

Go to the nearest official or security point

2

Don't let the child search alone

3

Teach children to ask for help

4

Important Message: Agreeing on a meeting point in advance reduces confusion when separated

What Do You Do When an Injury or Emergency Occurs?

Act calmly and seek help

Call 999 in serious cases

5

Prevent gathering around the injured person

6

Follow emergency instructions

7

Stay calm

1

Move the injured person away from danger safely

2

Don't move them in case of a serious injury

3

Notify the park official or security

4

Message: Proper assistance begins with reporting and avoiding random actions

Do's and Don'ts in Public Parks

Correct Practices and Others to Avoid

Don't ×

No children without supervision

1

Don't run or push

2

No fire in unauthorized areas

3

Don't tamper with electricity

4

No glass or litter

5

Don't ignore signs of fatigue

6

Do ✓

Supervise children continuously

1

Use age-appropriate equipment

2

Follow pathways and instructions

3

Grill in designated areas

4

Maintain cleanliness

5

Report any hazard or damage

6

Interactive Scenarios

Practical Application of What You've Learned

Scenario 2 A child separated from their family

Correct Action: Notify security or the official immediately, don't let them search alone

Scenario 1 Broken equipment in the children's area

Correct Action: Prevent children from using it and notify the park official

Scenario 4 Exposed electrical wiring near a walkway

Correct Action: Stay away from it and notify officials immediately

Scenario 3 A person using a grill near trees

Correct Action: Alert them to the designated area or notify the official

Test Your Knowledge

Quick Questions to Assess Your Understanding

Q1: Is it acceptable to leave children unsupervised on the equipment?

Answer: No, they must be supervised at all times

Q2: What do you do if you find broken equipment?

Answer: I avoid using it and notify the park official

Q3: Where should grills be used?

Answer: In designated areas only

Q4: Why do we keep pathways clear?

Answer: To reduce the risk of tripping and facilitate movement

Q5: What do you do in case of a serious injury?

Answer: I don't move the injured person and notify the official or 999

Thank You

Safety in public parks is everyone's responsibility

Supervise children • Follow instructions • Safe play • Cleanliness • Grill in designated areas • 999
