

School Bus Safety

A safe trip starts with commitment

"Following safety instructions on the school bus protects students, the driver, and supervisors"

Why do we learn school bus safety?

Any unsafe behavior may lead to preventable injuries

Protecting students

During the school trip

Organizing boarding

And exiting safely

Reducing crowding

And preventing pushing

Driver focus

On the road

Responsible behavior

During the commute

Remember: Your safety on the bus begins the moment you wait for it

The bus supervisor's role

Organizing students and ensuring their safety during the trip

**Guiding
students to a
safe spot**

**Organizing
boarding and
exiting**

**Checking seat
belts**

**Maintaining
order**

**Handling
behavior**

**Guidance
during
emergencies**

**Verifying
safety tools**

Message to students: Following the supervisor's directions is an essential part of your safety

Waiting for the bus safely

The waiting period requires attention and order

Stand in a safe spot away from the road

1

Avoid standing behind vehicles

2

Do not run or play while waiting

3

Wait until the bus has fully stopped

4

Do not approach except with the supervisor's direction

5

Line up calmly without pushing

6

Key rule: Do not approach the bus while it is moving, no matter how close it seems

Boarding the bus

Orderly boarding reduces pushing and keeps everyone safe

**Wait your turn
in line**

**Board calmly
without
rushing**

**Use the
handrail**

**Avoid pushing
classmates**

**Do not carry
items that
obstruct
movement**

**Go directly to
your seat**

**Follow the
supervisor's
instructions**

Message: Order while boarding protects you and your classmates from falling

Seating and fastening the seat belt

Among the most important safety rules inside the bus

Sit in your assigned seat

Always fasten your seat belt

Sit in a proper position

Do not stand while moving

Do not move between seats

Place your bag away from the aisle

Keep the aisle clear

Remember: Safe seating helps protect you in case of sudden stops

Safe behavior inside the bus

Quiet students help the driver concentrate

Stay quiet

**Do not raise
your voice**

**Do not distract
the driver**

**Do not tamper
with the doors**

**Do not put your
hand out of the
window**

**Do not throw
trash**

**Respect
classmates and
the driver**

Message: Every behavior inside the bus affects the safety of all passengers

Using electronic devices inside the bus

Uncontrolled use can lead to distraction

**Use quietly if
allowed**

**Do not raise the
speaker volume**

**Do not use them
while boarding or
exiting**

**Do not take photos
without permission**

**Stop when the
supervisor instructs**

Remember: Safety first, then personal use of electronic devices

Exiting the bus

Requires calmness and attention when other vehicles are present

Avoid pushing classmates

5

Move away from the door after exiting

6

Listen to the supervisor's instructions

7

Wait until the bus has fully stopped

1

Do not stand before the bus has stopped

2

Wait your turn to exit

3

Use the handrail when exiting

4

Message: Do not start exiting until the bus has stopped and the supervisor signals

Safe crossing after exiting

One of the situations that needs the most attention

Move a safe distance away from the bus

Use the pedestrian crossing if available

Choose a spot where you can see the road

Look left-right-left

Make sure vehicles have stopped

Cross with steady steps, do not run

No devices or headphones

Remember: Focus while crossing protects you from traffic hazards

Handling emergencies inside the bus

Breakdown, smoke, accident, or medical case

Exit calmly and in order during evacuation

5

Head to a safe spot away from the road

6

Do not return to the bus before being allowed

7

Stay calm

1

Listen to the driver's or supervisor's instructions
